

# retirementrocks!

LIFESTYLE | RELATIONSHIP | FINANCES

Boomers' views and expectations of "retirement" demand more than just financial advice. We want to know how to have a rich retirement, not just how to retire rich.

**Retirement Rocks!** is a dynamic seminar experience that addresses the retirement concerns of Canadians 45+ years of age. Heather Compton and Dennis Blas partner with select organizations to provide a high value focus on employees, clients and customers.

The seminar speaks directly to those looking at next-stage life planning and all the challenges and opportunities this life phase will bring. Fast-paced, humorous, thought provoking, and practical, over the course of two hours the Retirement Rocks! team of Heather Compton and Dennis Blas draw on their refreshing perspective of a couple who have "walked the talk" and are living retirement NOW.

*"Heather and Dennis did a great job of demystifying the financial; very clear, simple, and concise."*

The seminar focuses on three cornerstones of a retirement life experience that rocks!

**Lifestyle | Relationship | Finances**

## The Retirement Rocks Team

Heather Compton, stock broker and Senior Investment Advisor, retired as Vice President with a major financial firm. She has presented seminars and training sessions on a broad range of topics to a diverse audience for over 30 years.

Dennis Blas retired from a successful career in Information Technology. He has extensive experience as a coach, mentor and facilitator in life skills and personal development programs.

*"Great instructors! Loved the pairing of Heather and Dennis. Great chemistry between them, plus they are a real-life example."*

*"Great presentation, and I loved the exercises. Dennis is a good contrast to Heather's style."*

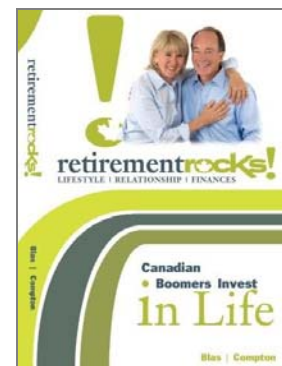

## Retirement Rocks! Canadian Boomers Invest in Life

Heather and Dennis are the authors of **Retirement Rocks! Canadian Boomers Invest in Life**

Their book brings together and builds on information and topics presented in the seminar.
